

## Water Falls: spring, waterfall and geyser – 31 sound effects – 24bit / 48kHz

| Title                      | Description  | Length | Category | File                            |
|----------------------------|--|--------|----------|---------------------------------|
| spring water droplets      | Sound of a very small spring – spaced droplets dripping in small pool – drop by drop | 2'10   | water    | 01-spring-water-droplets.wav    |
| spring small spray         | Sound of little spring flowing with many water projections – spray, splash and flow  | 3'02   | water    | 02-spring-smalle-spray.wav      |
| spring small birds         | Sound of little regular spring with few birds in background                          | 1'36   | water    | 03-spring-small-birds.wav       |
| spring medium with bubbles | Small water spring sound effect – regular water lap with bubbles                     | 1'33   | water    | 04-spring-medium-bubbles.wav    |
| spring medium hole         | Sound of a spring flowing in a rock hole – hollow sound of water lap                 | 2'59   | water    | 05-spring-medium-hollow.wav     |
| spring medium splashy      | Sound of water spring flowing with a lot of sparkles and bubbles – splashy           | 2'36   | water    | 06-spring-medium-splash.wav     |
| spring medium regular      | Sound of a medium sized spring flowing discretely like boiling                       | 1'53   | water    | 07-spring-medium-regular.wav    |
| spring medium mid-distant  | Sound of a medium sized spring flowing discretely – mid distant perspective          | 1'34   | water    | 08-spring-medium-middistant.wav |
| spring medium narrow       | Sound of a medium sized spring with narrow and regular flow                          | 1'27   | water    | 09-spring-narrow-regular.wav    |
| spring large constant      | Sound of a spring flowing from rocks with regular flow – between flowing and boiling | 1'35   | water    | 10-spring-large-constant.wav    |
| spring cave gurgles        | Sound of a cave spring flowing and falling with gurgles                              | 0'31   | water    | 11-spring-cave-gurgles-01.wav   |
| spring cave close          | Sound of a cave spring flowing and falling – close perspective with light reverb     | 1'55   | water    | 12-spring-cave-close-01.wav     |
| spring cave distant        | Sound of a cave spring flowing and falling – distant perspective with large reverb   | 2'32   | water    | 13-spring-cave-distant-01.wav   |
| waterfalls small 01        | Sound of a small waterfall with concentrated and regular flow – water spring         | 1'26   | water    | 14-waterfalls-small-01.wav      |

| Title                           | Description  | Length | Category | File   |
|---------------------------------|--|--------|----------|--|
| waterfalls small 02             | Sound of a small waterfall with regular flow – spring  | 1'26   | water    | 15-waterfalls-small-02.wav                   |
| waterfalls small 03             | Sound of a small waterfall sounding like rain – Australia  | 2'30   | water    | 16-waterfalls-small-03.wav                   |
| waterfalls small 04             | Sound of a small waterfall bouncing on rocks and spraying – Paku waterfalls Malaysia Borneo                                | 1'42   | water    | 17-waterfalls-small-04.wav                   |
| waterfalls small 05             | Sound of a small waterfall – mid-distant perspective – Australia Hopkins Falls   | 1'58   | water    | 18-waterfalls-small-05.wav                   |
| waterfalls medium spray         | Sound of a small waterfall spraying water – spring   | 0'54   | water    | 19-waterfalls-medium-spray.wav               |
| waterfalls large constant       | Sound of large waterfalls with light rumble and regular flow – Montmorency Falls Canada                                    | 1'59   | water    | 20-waterfalls-large-constant.wav             |
| waterfalls large irregular      | Sound of a large waterfall with irregular flow – spray and water projections – waterfalls of Iceland                       | 1'45   | water    | 21-waterfalls-large-spray-projections-01.wav |
| waterfalls large spraying       | Sound of a large waterfall with irregular flow – light rumble and water projections – waterfalls of Iceland                | 3'06   | water    | 22-waterfalls-large-spray-05.wav             |
| waterfalls large with rumble 01 | Sound of a large waterfall with regular flow – with rumble and spray – waterfalls of Iceland                               | 1'54   | water    | 23-waterfalls-large-rumble-01.wav            |
| waterfalls large with rumble 02 | Sound of a large waterfall with regular flow – distant perspective with heavy rumble – waterfalls of Iceland               | 2'05   | water    | 24-waterfalls-large-rumble-02.wav            |
| waterfalls large mid-distant 01 | Sound of a large waterfall with regular flow – mid distant perspective with spray – waterfalls of Iceland                  | 2'04   | water    | 25-waterfalls-large-middistant-01.wav        |
| waterfalls large mid-distant 02 | Sound of a large waterfall with regular flow – mid distant perspective with spray and light rumble – waterfalls of Iceland | 2'33   | water    | 26-waterfalls-large-middistant-02.wav        |
| waterfalls large distant 01     | Sound of a large waterfall with regular flow – distant perspective – Montmorency waterfalls Canada                         | 2'11   | water    | 27-waterfalls-large-distant-01.wav           |
| waterfalls large distant 02     | Sound of a large waterfall with regular flow – distant perspective with spray and rumble – waterfalls of Iceland           | 2'22   | water    | 28-waterfalls-large-distant-02.wav           |
| geyser 01                       | Sound of a geyser of mud – spurting out with large bubbles – geyser of Iceland   | 0'18   | water    | 29-geyser-01.wav                             |

| Title            | Description  | Length | Category | File                    |
|------------------|--|--------|----------|-------------------------|
| geyser 02        | Sound of a geyser of mud – progressively spurting out with large bubbles – geyser of Iceland             | 1'21   | water    | 30-geyser-02.wav        |
| geyser marine 01 | Sound of a marine geyser – several water jets with the sea in background – Red Bluff – Western Australia | 4'19   | water    | 31-marine-geyser-01.wav |
